

# 420-SN1 Programming in Science

## Quiz #1, Part 2

This quiz is worth 1%. There are two parts.

### Instructions

---

- Download zip file from “Assignments” -> Quiz 1
- Read and follow instructions in `readme.txt` file

### Evaluation

---

- 100% if you can get this done with no help from your teacher and submitted within the allotted class-time.
- 70% if you can get this done with no help from your teacher and submitted after the end of the quiz, but within 14 hours
- if you get stuck at any time, and need help, ask your teacher and I will be happy to help. You will lose a few grades depending on how much help you need.
